Adequate unloading facilities MUST be provided at site. You are required to provide mechanical offload and handling. W Crowder & Sons Ltd accept no liability for damaged plants where offload facilities are unavailable or not suitable for this purpose.

General Plant Health

We are regularly inspected by our APHA local plant health officers. Once delivery is accepted, we cannot be held responsible for any subsequent problems that may occur.

We will endeavor to ensure all plants supplied are to the standards requested, however, as this is a living product we cannot be held responsible for any abnormal growth due to seasonal weather conditions.

National Plant Specification/Nursery Certification Scheme

Crowders Nurseries are members of the above scheme and are certified to abide by the rules and regulations laid out by it. For more information on the scheme go to www.the-hta.org.uk.
